WATER

Purezza Tap Purezza Sparkling <i>Locally sourced, served fresh, eco-friendly and sustainable.</i>	5pp
Capi Still Sparkling 750ml <i>Naturally purified and mineral-rich, it's travelled 250 vertical metres through mineralised rock to meet us at the surface in the Victorian Highlands. An award-winning Australian water naturally carbonated. Every drop of CAPI Mineral water filters through mineral rich rock formation, deep underground to capture the unique, smooth mineral taste at its best.</i>	9
Antipodes Still Sparkling 500ml Antipodes Still Sparkling 1000ml <i>Antipodes water is exceptionally pure and needs only a simple microfiltration before bottling. No sterilisation, no additives, no industrial cleansing and processing. Assessed as New Zealand's deepest high quality water source, it exists under such immense geological pressure that the water flows naturally all the way to the surface. An added bonus that Antipodes is certified carbon neutral.</i>	9 16
Aquam Insula Still Sparkling 1000ml <i>Water that is not only pure, natural, and smooth but also delivers a delightful taste experience—a remarkable gift from Mother Earth, enhanced with a touch of carbonisation for a sparkling and refreshing sensation.</i>	28
